

THE SCI 07 CHRONICLE

Apr 2012 – Vol V +0.5

Forget Return of the Jedi, this is Return of Sci 07!

OVERVIEW

Sci 07's re-union will be the weekend of **October 19th-21st**. Queen's has decided to continue cancelling the official Homecoming to stem the Aberdeen Street Parties. We have no intention of contributing to any street party but we do deserve to have a proper Reunion. Sci 07 will be having our reunion in the fall because interacting with current students while Queen's is active is an important part of coming back to campus. We have convinced ArtSci 07 to join us, as well as other older alumni classes.

WHAT YOU NEED TO DO

1) Fill out the attendance survey so we can plan numbers. : <http://www.surveymonkey.com/s/9FLJZ2J>

2) Everybody needs to **book their hotel rooms**. We have secured a block of rooms at the Holiday Inn in Kingston so we can all be at the same place but you need to actually book them. The rates we've secured for the block are:

- Standard Room with 2 double beds @ 164.95 +HST per night
- King Room with 1 king bed @ 179.95 + HST per night

These are more expansive than traditional rates, but they reflect the market reacting to the massive influx of Alumni returning to Kingston that weekend. Currently booking a room outside of this block costs around \$225 at any hotel. Also we were only able to secure a limited number of rooms, so I recommend everybody simply get a room-mate for the weekend to help make it more affordable and to ensure people aren't left out.

To book a room in the **hotel block under Sci 07**, contact the Holiday Inn at:

Book your rooms ASAP!
